# Kerala Catholic Engineering College Managements' Association

## PREFACE

The Kerala Catholic Engineering College Managements' Association (KCECMA) represents 14 Engineering Colleges in Kerala.

From 2007 onwards the Colleges were making admissions, purely on the basis of merit. Merit was being determined by combining the marks obtained by the candidates in the CET conducted by the Commissioner for Entrance Exams, and also the marks obtained by them for the relevant subjects in their qualifying exams.

All students were to pay a uniform fees and for BPL candidates, scholarships were being provided.

The state Government had signed a seat sharing agreement with these Colleges, whereby 50% of the seats would be permitted to be set apart to the CEE for allotment.

All the students would pay the same fee. The Colleges would set apart a sum of Rs.3 lakhs per batch of 60, to be provided as scholarships to the BPL and other poor candidates.

If any seats remain vacant after the last date for the Commissioner to make allotments, those seats would be reverted back to "open merit" category and would be filled by the Colleges.

All the colleges are affiliated to the APJ Abdul Kalam Technological University (KTU), Thiruvananthapuram.

We hope to commence classes, latest by the 1st of August 2016.

We solicit the co-operation of all concerned.

## Our Mission

We transform the youth into finest technocrats to lead the world to greater all round prosperity upholding highest standards in personal, social, ethical, moral and family values with a sensitivity to the environment and the world around. Our commitment to the society shall be total without fear, favour or prejudice. We firmly believe that the ultimate judge shall be the Almighty.

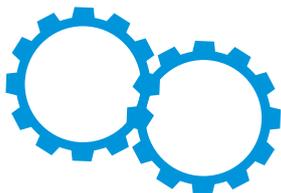

## THE KERALA CATHOLIC ENGINEERING COLLEGE MANAGEMENTS' ASSOCIATION

The Kerala Catholic Engineering College Managements' Association (KCECMA) is a fraternity registered under Travancore, Cochin, Literary, Scientific & Charitable Societies, Registration Act, 1955 No. ER 1977.

KCECMA has been formed with a mission to promote engineering and technical education in Kerala matching international standards coupled with a strong base on moral, social, ethical and civic values. Our moorings are based on the Christian doctrines of love, peace and universal brotherhood.

The Association functions as a voluntary self-regulatory agency ensuring quality technical education without compromising on social justice. Our member institutions value transparency in every aspect - student selection, teacher and other staff selection, etc. We stand for equal opportunity for all without discrimination of any kind whatsoever.

The Association endeavours to make Kerala a global destination for technical education. The strategies and programmes include continuous quality assurance, improvement and monitoring programmes, skill development of students - technical, personal and social - and faculty training and development programmes. Simultaneously we focus on maintaining technical education at affordable levels eliminating the urban-rural and rich-poor divide, though on cost sharing basis.

## PROSPECTUS 2016-2017

### I. INTRODUCTION

- 1.1. The Kerala Catholic Engineering College Managements' Association has a separate and unique selection procedure for admission to B.Tech course 2016-17 in the member colleges in tune with the decisions of the Hon. Supreme Court and High Court, in the matter.
- 1.2 The name, address, code and intake capacity of institutions are in this prospectus:
- 1.3 The prospectus contains the rules and regulations applicable for selection and admission to Engineering Courses for 2016-17 in the above institutions, after setting apart 50% of the seats to the CEE ( Commission for the Entrance Examination) to make allotments and NRI seats.
- 1.4 This prospectus is subject to modification /addition /deletion as may be deemed necessary by the Association subject to further orders, if any, passed by appropriate authorities/courts of law. Modifications, if any, will be notified on the website of the association.

(See the college page/college website for further details)

3.3 Application not accompanied by documents in proof of claims made therein will be summarily rejected without further intimation. Documents / Certificates furnished after submission of the application will not be entertained under any circumstances. Also no opportunity will be given to incorporate any details or document after the submission of the application. Late and incomplete applications will be rejected. However colleges can decide on the mode of application (print/download/online) and also on the documents to be accompanied with the application.

#### **IV. PROCEDURE OF SELECTION**

##### **4.1 *Preparation of Merit list and Allotment of Seats:***

Subject to any orders that may be passed by the Courts, admission will be on the basis of merit only by adding marks obtained in the entrance examination conducted by state Commissioner for Entrance Examinations and the marks obtained for Mathematics, Physics and Chemistry/equivalent in the qualifying examination. The marks will be apportioned in the ratio of 50:50.

The marks obtained for the qualifying exam will be subjected to the normalization process as explained below:

Let  $M_H$  and  $S_H$  denote the mean and standard deviation of the marks in a subject (Mathematics, Physics and Chemistry/equivalent) of all the candidates who have applied in a member college under the Higher Secondary Stream (H) of Kerala. Let  $M_O$  and  $S_O$  denote the mean and standard deviation of the marks in a subject (Mathematics, Physics and Chemistry/equivalent) of all the candidates who have applied in a member college under another stream (O). If  $X_O$  is the mark of a candidate in the Other Stream O, then,  $Y_{OH}$ , the mark of that candidate in the other stream (O) normalized with respect to the Higher Secondary (H) mark of Kerala will be computed as follows:

$$Y_{OH} = M_H + S_H \left( \frac{X_O - M_O}{S_O} \right)$$

Since the normalized marks depend on the applicants of a college, the index marks of an applicant may vary from college to college.

#### 4.2 Percentage of seats reserved under various heads

Details of reservation and seat allocation under various categories are mentioned in the respective pages allotted to each college in this prospectus. Candidates belonging to all denominations in Christian Community are eligible to be considered in the community quota seats.

4.3 Furnishing of false information/particulars would result in the forfeiture of the candidature as well as cancellation of admission to the course if admitted and in addition, will attract the relevant provisions of criminal law of the land.

4.4 Merit list for the different categories will be published in the college website/college notice boards, of the college concerned. Selection will strictly be in the order of merit. Selected candidates will not be intimidated by post and they are advised to refer to the web site /individual college notice board and appear for the interview and final selection without fail.

4.5 Candidates can give their higher option preferences on the date of admission at the admission desk. However, such higher option requests will be considered only till the commencement of classes. All the higher option preferences will stand cancelled from the date of commencement of classes.

### V. DATA VERIFICATION

Details of all applications received including considerations for weightage/preferences and reservations, marks etc. will be published on the website of the respective college on the appointed date. Candidates are advised to verify the same and notify entry mistakes, if any, within the stipulated time limit. No further request for correction will be entertained.

### VI. ADMISSION

1. For genuine reasons, management will have the right to deny admission to any candidate even if otherwise eligible. The reason for the same will be recorded and informed to the candidate on request.
2. Candidates are advised to visit the website of individual colleges for all further notifications and appear for interview and admission as notified therein. No separate communication will be sent on this count. The process of interview will continue till the seats are filled.

3. The order of selection shall be as follows:
  1. Open merit
  2. Community merit
  3. Latin Catholic merit
  4. Dalit Christians
4. No marks will be allotted for interview.

Selected candidates shall take admission at the appointed time and date in the College concerned after paying the tuition fee and other fees to be paid, failing which the offer of admission will be cancelled. The fee to be paid for admission to the member colleges is given here under:
