Subject: Program Confirmed on Thursday, 09-05-2019 || Seminar at JECC on higher studies and placement opportunities abroad

Dear Students,

Greetings From PAT Office!!!

Global Education Seminar organised by PAT office for creating awareness among the present final year students regarding **higher studies** and **placement** opportunities abroad, will be conducted tomorrow, **9th May 2019 (Thursday)** from **11.00 AM to 12.30 PM** at the **Decennial hall**.

All the interested students from the **final year (2019 passing out) B.Tech & M.Tech batches** are welcome to attend the seminar, even if you haven't registered for participating.

You may not be planning for overseas education or job at present. But the inputs you get from this seminar, can be very useful to you in the future. So please make use of the opportunity.

Please make sure that you are present at the venue sharp by 11.00 AM itself. Late entries will not be permitted since it will spoil the very purpose of the program.

Please do not hesitate to contact the PAT Office, if you have any queries or need further information.

Subject: Seminar at JECC on higher studies and placement opportunities abroad || for 2019 passing out students

Dear Students,

Greetings From PAT Office!!!

We are getting a lot of queries from the current final year students regarding **higher studies** and **placement** opportunities abroad.

There is no doubt that choosing an overseas education for your higher studies is one of the most rewarding decisions you will ever make in your life.

A study abroad experience will benefit you in ways beyond your imagination and expectations. It will offer you an opportunity to discover a unique diversified culture, make lifelong friendships and connections, and

 Asst. Manager, Academics & Administration,
 Jyothi Engineering College.

From,
 Bibin Joy
 Placement and Training Officer.

Sub: Request for conducting TCS specific training program for eligible students.

Respected Father,

This is to bring into your kind attention that, TCS is conducting the first round (Aptitude test) of their campus recruitment process, for the 2019 batch on Wednesday, **11th September 2018**, for the entire Kerala region.

172 students from JECC have registered for participating in the test.

The PAT office would like to provide a 2 day **TCS Specific Training** to those students who have registered, in association with FACE Academy, which holds a very good reputation as experts in TCS specific training.

106 students have expressed their keen interest confirmed their participation in the 2 day program by registering with PAT office agreeing to pay a fine of Rs.400/-, if they miss even a single session of the program.

Proposed program details

Date : **8th and 9th September 2018** (Saturday and Sunday) 9 AM to 4 PM.
 Vendor : Focus Academy for Career Enhancement.
 Training Fee : **Rs.14,000/-** per batch (60 students) per day.
 No of students Confirmed : 106 (Special case - can be considered as 1 batch).
 Total cost : Rs.14,000/- X 2 days X 1 batch = Rs 28,000/-

*In addition, lunch and refreshments to be provided for the trainer (lunch). Face will take care of the accommodation of the trainer.

Respected Father,

The PAT Office would like to conduct a **4 day** 'aptitude competency development training program' for the current final year students. In order to ensure the overall effectiveness of the program, we propose the following points.

- The program can be conducted in two phases (Phase 1, 2 days + Phase 2, 2 days. Total 4 days)
- Students participating in training without interest and the absenteeism among expected participants were the major problems observed previous years. In order to address this, an advance amount of Rs.500/- can be collected from the students who wish to register and under take the training program. The amount has to be paid fully before the commencement of the program
- If the student attend all the 4 days of training without fail, the full advance amount will be duly paid back or else the same will be retained by PAT as fine and will be submitted to the accounts department.
- The proposed dates for **Phase -1 is 13 & 14 Oct. 2018** (Second Saturday and Sunday) and **Phase -2 is 27 & 28** (Fourth Saturday and Sunday) → Phase two changed to 10th & 11th November 2018

We have received proposals from 4 leading vendors for this program including M/S Konfidence who was our vendor last year. A comparison chart between these vendors, is attached herewith.

If you permit to proceed, we will inform the students and submit the number of participants by next Monday (8th Oct. 2018) morning and can arrange for a vendor meeting on Tuesday (9th October 2018) as per your convenience.

Kindly advise.

Regards,

Respected Royachan,

This is to bring into your kind attention that we are going to conduct the second phase(2 days) of the '**Aptitude Competency Development Training Program**' for the final year students on **10th** and **11th** Nov. 2018 (Second Saturday and Sunday). As per the instructions of the college council, we have conducted a campaign in the final year classes to find out the possibility of adding one more batch on the above dates. **54** students have expressed their interest so far. (refundable deposit of Rs.500/- yet to be collected.)

Can we proceed to add one more batch (for two days) with this strength? The training cost will be Rs.28,000/- (Rs.14,000 x 2 Days).

We are conducting one more campaign in all final year classes on Thursday (8-11-2018) . Dr. U Lazar John has kindly consented to accompany myself to the classes to speak to the students for motivating them to participate. We are hopeful of adding a few more numbers to the existing 54.

The number of students registered from different branches, for **batch 1** and **batch 2** are as follows.

SL	BRANCH	Batch 1	Batch 2	Total number of Final year students
	CE	0	19	68
1	CSE	30	5	80
2	ECE	21	10	57
3	EEE	6	5	43
4	ME	25	15	132
TOTAL		82	54	380

Kindly advise on the further course of action.

The class is really useful, but can improve by giving more questions and a study material with solution. - ~~Amrith~~

* Interesting class, Try to include the discussions of every exam paper.

3: Class was excellent, Need at more classes to cover more topics

4) The class is really useful. Definitely would like to attend more of this classes - It would be nice if college bus could be arranged atleast on Saturday

5) class was excellent, More such classes must be conducted

6) class was really good. Thank you very much.

Class was nice. Expecting more such classes

8) class was very interesting and useful. Hoping for more classes.

9) The training given is very helpful and the instructors have discussed everything giving a clear idea for approaching competitive exams

10) The training given is very useful & I think it would help us improve ^{performance in} the aptitude exams coming up. If possible please give us more training in coding ability too.

11) The training was very effective if more ratio questions are included.

- The classes were great, the part two days could have focused more quantitative aptitude rather than how verbal ability was focused equally as quantitative. The faculty who come to conduct the classes have done a great job.
- As an aptitude training class classes were very helpful. Since Wipro placement is going to happen in next week, coding class could be conducted.
- The classes which was arranged was good. And they have scheduled it well by trying to cover many of the topics.
- The placement training class conducted by Konfidence is really useful and helpful. Covered all topics.
- The training programs help to improve the knowledge in the different areas and covered all most all the topics which we need in the exams.
- The training class held was very useful and also helpful. Main the verbal session was also helpful since we were not aware of the rules of using pronouns in the sentence and the help.
- The training problem was very helpful. I needs alone classes like this.

Good classes with sincere faculties.

Very good class, very beneficial.

Very effective class, could clear many of the misconceptions in approaching various problems, thanks to the shortcuts.

→ It is a really effective one which gives more confidence to attend the coming competitive exam with them.

There is proper interaction b/w instructor & students.

Time for explanation of each problem is done in satisfactory level. overall the class was such a

and useful to us.
